## 張作霖 (1875-1928)

奉系軍閥首領，字雨亭，1875年出生於奉天省（遼寧）海城縣西小窪村。張作霖幼年家貧，14歲時父親去世，隨母親前往鎮安縣投靠外祖父，為謀生賣過包子，當過貨郎，學過木匠，後隨繼父學獸醫、相馬。甲午戰爭(1894-95)爆發，投入宋慶的毅軍，戰後回到故里，投身草莽，在黑山南趙家廟一帶劫掠。數年後被官府收編為巡警馬隊幫帶、統帶，1906年任巡防營前路統領，因剿匪有功升為洮南鎮守使。武昌起義時，張作霖起兵勤王，任“奉天國民保安會”軍事部副部長，鎮壓革命軍，受到清廷破格提升，出任“關外練兵大臣”，派任巡防營務處總辦，成為奉天省地方最大的軍事首領。

袁世凱出任大總統後，被任命為第27師中將師長。袁稱帝後，被封子爵、盛武將軍，督理奉天軍務兼巡按使。

1915年袁死後，被北京政府任命為奉天督軍兼省長，1918年被任命為東三省巡閱使，在日本幫助下控制遼寧、吉林、黑龍江三省，成為奉系首領。此後，張作霖以東北為基地，向關內擴張勢力。1920年直皖戰爭爆發前，聯同曹錕，迫走段祺瑞，與直系共同把持北京政府，1921年兼蒙疆經略使，節制熱、察、綏三都統。同年12月支持梁士詒組閣，竭力控制北京政府，與直系矛盾激化。

1922年4月，張發動第一次直奉戰爭，被直系吳佩孚擊敗。戰敗後，張作霖挾“東三省議會”推舉自己為東三省保安總司令，宣布東北自治。1924年9月發動第二次直奉戰爭，得直系馮玉祥倒戈，推翻曹錕，打敗直系軍閥，控制北洋政府。1925年11月，所部郭松齡反戈，迅佔錦州、新民等地，瀋陽告急，張以犧牲南滿、東蒙權益換取日本出兵干涉，得以轉危為安。事後與吳佩孚棄嫌修好，又聯合閻錫山、張宗昌等，合力對馮玉祥國民軍作戰，重佔天津、北京。1926年稱安國軍總司令。

1927年6月，張作霖在北京就任北洋軍政府陸海軍大元帥，代表中華民國行使統治權，成為國家最高統治者，亦是北洋軍政權最後一個統治者。1928年4月蔣介石率軍北伐，在蔣介石、馮玉祥、閻錫山、李宗仁四大集團軍攻擊下，奉軍節節失利，張作霖決定退出北京。

由於他沒有滿足日本帝國主義的全部要求（包括開礦、設廠、移民和在葫蘆島築港等），1928年6月4日晨5時許，當張作霖所乘由北京返回奉天專列駛到皇姑屯附近橋洞時，被日本關東軍預先埋好的炸彈炸毀，張作霖身受重傷，當日逝世，享年53歲。

1926-28年間，張作霖主政北洋軍政府，天津廠曾試鑄四款張作霖像紀念銀幣，俱極珍罕。這次呈獻的張作霖16年伍拾圓金幣連耿愛德亦未見過，他書上只提及張作霖貳拾圓及肆拾圓金幣銅樣。拍目主編亦是生平首次見到此枚海外回流迄今孤品。

## CHANG TSO LIN (1875-1928)

Chang Tso Lin, nicknamed the "Grand Marshal" (大帥) was one of the major Chinese warlords of the early 20<sup>th</sup> century. He was warlord of Manchuria from 1916-28 and at one time ruled an enormous area of north China.

Chang was born in 1875 to poor parents in Haicheng county in south Fengtien. Lacking formal education, he did a string of odd jobs before joining the army. After fighting the First Sino-Japanese War (1894-95), he returned home and led a large force of local desperados. In the Russo-Japanese War of 1904-05, the Japanese Army employed them as mercenaries. At the end of the Qing dynasty, Chang managed to embody his soldiers as the Chinese army under his command. When the Revolution of 1911 broke out, he ordered his men to suppress the revolutionaries and to occupy Fengtien City (Shenyang). The chaotic conditions that prevailed during the declining years of the Qing dynasty and the early periods of the Republic enabled Chang to enhance his military power in Manchuria, relying on the tacit support of the Japanese, to whom he granted concessions. In 1915 he became both Civil and Military Governor of Fengtien and in 1918 the Inspector-General of the Three Eastern Provinces (Fengtien, Heilongjiang and Jilin), so that the whole of Manchuria was under his control.

In the summer of 1920 Chang made a foray into north China. He supported another warlord Tsao Kun with troops and together they succeeded in ousting Tuan Chi Jui, the leading warlord of Beijing. As a reward Chang was granted control over most of Inner Mongolia to the west of Manchuria. But he was confronted by Wu Pei Fu, warlord of the Chihli Clique (Chihli is the name of the area surrounding Beijing). War broke out when Chang's forces entered into China proper in April 1922 and were soundly defeated by the Chihli Army in what came to be known as the First Chihli-Fengtien War. Chang had to retreat to Shanhaiguan and in anger declared Manchuria independent from Beijing in May 1922.

After the defeat of 1922 Chang reorganized and re-equipped the Fengtien Army. When fighting broke out again in Central China in the autumn of 1924, Chang saw an opportunity to capture north China and Beijing and become head of the Central Government. While most other warlord armies fought along the Yangtze River, Chang attacked north China. The Second Chihli-Fengtien War had begun. In a surprise move, a Chihli commander, Feng Yu Xiang toppled Tsao Kun and took control of Beijing. He shared power with Chang and both appointed the same Tuan Chi Jui he had ousted in 1920. By August 1925, the Fengtien Army controlled four large provinces within the Great Wall, Chihli (not including Beijing), Shandong, Jiangsu and Anhui. However, later that year the Chihli Clique was able to push back the Fengtien Army, who continued to attack Beijing into the spring of 1926.

**In June 1926 Chang had managed to capture Beijing. A year later he proclaimed himself as Grand Marshal** of the Republic's land and naval forces, and thus ruled what was still recognized internationally as China's legal government. However, an alliance of regional warlords led by Chiang Kai Shek attacked Chang's forces in May 1928 in a campaign known as the Northern Expedition and the Fengtien Army had to leave Beijing and return to Manchuria. On 4 June 1928 Chang was killed when a bomb planted by officers of the Japanese Army blew up the train he was riding to Shenyang.

When Chang controlled Beijing and Tientsin between 1926 and 1928, the Tientsin Mint struck four silver dollars, two copper patterns for a \$20 and a \$40 gold coin and a \$50 gold coin featuring the portrait of Chang Tso Lin. They were never adopted for general circulation and remain very rare to exceedingly rare essays. **The \$50 gold pattern on offer here is the only specimen known to the cataloguer and escaped** even E. Kann, who mentions only the two copper patterns in his "Illustrated Catalog of Chinese Coins" (p 434) and had never seen or heard of the \$50 gold coin. This coin is the highest denomination coin in gold or any other metal issued by the Republic of China. It is possibly the rarest Chinese gold coin of the Republican era, much rarer than the off-metal strike portrait dollars in gold.

# Conditions of Sale

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute, the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the disputed lot.
2. The auctioneer shall have the right, at his absolute discretion, to refuse admission to his premises or attendance at his auction by any person and to require any person to pay a cash deposit before issuing him or her with a bidder number.
3. The auctioneer shall have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer who shall have the right to refuse any bid or bids.
4. All lots are put up for sale subject to any reserve price that may be imposed by the seller. The seller shall not bid on his own property, nor employ any person to bid for him and the auctioneer alone shall have the right to bid on behalf of the seller up to the amount of any reserve. Should the reserve price be considered unreasonable by the auctioneer, the consignor is subject to at least five per cent (5%) commission on the reserve price if the goods remain unsold plus insurance charges.
5. Bidding commissions for anyone unable to attend the auction in person may be carried out by the auctioneer without charge, but "buy" commission will be accepted if the auctioneer is given absolute discretion.
6. The buyer of any lot shall immediately notify his name and address to the auctioneer and, if required, (a) provide bank or other credit references, and (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.
7. Lots are sold as shown with all faults, imperfections and errors of description. Neither the auctioneer nor the seller shall give any warranty to any buyer in respect of any lot, or be liable for any fault or error of description, or lack of genuineness or authenticity of any lot. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise, are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him to be reliable. Notwithstanding the foregoing, if any lot should be proved by the buyer to be a forgery or re-print, or to have been wrongly described in any material respect, the buyer may reject the same, provided that he shall have given notice of his intention to do so and shall have returned the same to the auctioneer within fourteen (14) days from the day of the sale. Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Bidders are advised to scrutinise the lots they bid for.
  - The auctioneer guarantees all items offered in the catalogue to be genuine. Claims to the contrary must be made in writing within fourteen (14) days after receipt of materials.
  - Questions on a coin being a proof or business strike relate to method of manufacture but not authenticity.
  - No lot may be returned after thirty (30) days after the sale.
8. The auctioneer acts solely as an agent and shall not be responsible for any default by either the buyer or the seller or for any action or claim which may arise in respect of any lot.
9. Buyers must satisfy themselves as to the accuracy of the purchases at the time of delivery. The auctioneer cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneer's premises.
10. The auctioneer will not hold himself responsible for the sale in custody of any lots left for more than seven (7) days after the date of the sale, and reserves the right to charge storage and to re-sell by auction or privately, and without notice to the buyer, any lot not removed from its premises within seven (7) days from the date of the sale. Buyers shall not be entitled to remove lots from the auction room during the course of the auction.
  - No lot may be returned without the consent of the auctioneer.
  - If the auctioneer agrees to the return of any lot, it must be contained in its original, sealed and unopened container.
11. Each lot shall be at the buyer's risk from the fall of the hammer.
12. Any part of the purchase price left outstanding after the auction pursuant to Condition 6, shall be paid in full within seven (7) days of the date of the auction though the auctioneer may, at its absolute discretion, agree terms for credit with the buyer. Without prejudice to any other rights, the auctioneer reserves the right to charge interest on any overdue payment at the rate of 2.5% per month. All personal cheques must clear before delivery can be made, unless prior arrangements have been made with the Auctioneer. Payment by credit card shall not be accepted for auction purposes.
  - Late payment for any reason is just cause for revocation of all return privileges.
  - The property in a lot shall not pass to the buyer unless he has paid the purchase price in full.
13. Buyers accepting commissions from other parties do so at their own risk and will remain responsible to the auctioneer for full settlement according to these Conditions.
14. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.
15. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of the auctioneer be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneer's expenses and commissions in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained in the first sale.
16. A variation of these Conditions shall only be binding on the auctioneer and the seller if it is made in writing and signed by a duly authorised representative of the auctioneer.
17. In these Conditions, the auctioneer means Baldwin-Ma Tak Wo.
18. These Conditions shall take effect and be construed in accordance with the provision of Singapore law.
19. **A "Buyer's Premium" of fifteen percent (15%) is charged on the hammer price, but there is no additional charge for executing bids.**

# Advice to Postal Bidders

1. Return your commission forms sooner rather than later, as bids are recorded in the order that they are received. Where two bids are received for the same amount, the bidder whose commissions arrived first is the buyer, subject, of course, to bids from the floor.
2. If you are late with your bids, fax or email them to us. Telephone bids can be accepted, although we would ask for the bid figures to be confirmed in writing as we cannot accept responsibility for mistakes.
3. All commissions are handled in the strictest confidence and, if successful, the lot is sold to the "book".
4. The auctioneer will normally increase the bidding in 10% jumps. We would ask postal bidders to keep their bids to the nearest multiple of US\$5 or US\$10. Bids of US\$101 will be treated as US\$100, and similar "odd" amounts will be rounded down to the nearest actual bid at the auctioneer's discretion.
5. It is important to realise that we will try to obtain the lot bid on for the lowest possible price, and we fully appreciate the fact that the bids given are the maximum figure that the bidder is prepared to pay for any lot.
6. We are happy to handle bids for customers who are interested in a number of lots, but wish to spend only a limited amount of money. Bidders are advised to mark their bids in the usual way and then clearly state the maximum amount they wish to spend.
7. In a similar way, if bidders wish to bid on a choice of two items, they should clearly mark on the commission form "either/or".
8. Please remember to give full details as to how the lot or lots are to be dispatched. Successful bidders will be sent an invoice immediately following the auction, and the general rule is that this must be settled in full before the item or items are dispatched. Insurance and postage are to be borne by successful bidders.
9. If there is any query before an auction about any item in the sale, or regarding a method of bidding, remember we have several overseas offices which can assist, and we are only a telephone call, fax or email message away.
10. **A "Buyer's Premium" of 15% is charged on the hammer price, but there is no additional charge for executing bids.**

## Payment

**Mode:** Payment shall be made in United States Dollars in the form of cash or cheques drawn on a United States clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly to the auctioneer's bank account, quoting the original invoice number. Unless prior arrangements have been made, and payment is made by any other means, the customer will be liable for any bank or collection charges incurred.

**Currency:** The sale will be conducted in United States Dollars. Full settlement will be expected also to be in United States Dollars. Payment made in other currencies will, of course, be accepted. BUT the customer will be responsible to Baldwin-Ma Tak Wo for all bank charges and any differences in the exchange rates upon conversion.

**Full Settlement:** Full Settlement is due on receipt of invoice. No items will be dispatched except to established account customers, unless full payment has been received.

**Account Customers:** Full settlement is due within thirty (30) days of the sale taking place. After that time, any amounts owing will be subject to interest (2.5% per month) in accordance with the CONDITIONS OF SALE printed in the catalogue.

## Miscellaneous

**Commission Buying:** All commissions handled by Baldwin-Ma Tak Wo are treated in the strictest confidence and are "knocked down" to the "book".

**Estimates:** The figures in the list printed below each lot are the auctioneer's estimation of the expected price and are published as a guide for buyers.

**Prices Realised:** A list of prices realised will be sent to bidders and consignors only. Others wishing to receive copies are asked to send in US\$2 (or the currency equivalent) in cash. The auctioneer regrets that it is impractical for accounts to be charged for such a small amount. No list will be sent without full payment.
